**DETAILED ACTION**

*Allowable Subject Matter*

1. Claims 1-13, and 15 are allowed. (Which were renumbered as 1-14, respectively.)
2. The following is an examiner's statement of reasons for allowance:

Chen teaches the data processor for calculating the features of a respective segment and measuring similarities between the divided segments from the sequence based on their calculated features. However, Chen does not particularly teach or suggest means for establishing a dissimilarity threshold by a user-define setting or an automated setting, means for establishing a temporal threshold as a maximum interval between two segment on a time base, wherein two segment that have a time gap that exceeds the temporal threshold are determined to be in different scenes, as described in the specification of the present invention on page 48, line 16 through page 49, line 12, in combination with other as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
